

S.T.R.E.A.M

FIELD TRIPS

This week students will be going to the **Virginia Space and Air Center** in Downtown Hampton. Students will have the opportunity to explore the museum, participate in interactive activities, and investigate science, technology, engineering and math through Cool Science and changing exhibits.

The field trip will be on **Thursday, June 30th**. Any student NOT attending the field trip will not report to camp for that day.

Please be sure your child has a Field Trip Permission slip on file, so that he or she can participate. No slip, no trip!

Upcoming Trip to Washington D.C.

Friday, July 8th

This is an all day trip. Students will need to arrive at Syms Middle School no later than 6:00am. We will return to school by 9:00pm. Lunches will be available for each student. However, students may choose to bring a lunch/snacks from home. Students are encouraged to bring money for souvenirs and additional food items.

Welcome to Summer Camp!!

We are excited about this year's 21st Century S.T.R.E.A.M. Summer Camp program. Our teachers and staff have lots of fun and exciting activities planned to enhance student learning. Students will be participating in a variety of project based learning activities that will expand their knowledge in the area of Science, Technology, Engineering, and Math. We hope that they will have a memorable time and look forward to working with you and your child this summer!

WE NEED YOUR HELP!!!

If you have any clean, recyclable items at home such as boxes, plastic bottles, etc, PLEASE send them in with your student or drop them off at school. Items will be used to create projects.

****Camp is in session Monday through Thursday from 12:30 - 5:00pm****
